

COURSES OFFERED FOR ERASMUS+ PROGRAM (2024 - 2025)

International students who come to the University of West Attica with the Erasmus+ program can choose among the following courses offered in the Department of Early Childhood Education and Care.

The support they will receive will take the following form:

- 1) Contact with the lecturers of the courses they will select. Entirely in English, or in French or Spanish in the case of some of the courses offered (see, Table below).
- 2) Individual consultation meetings with the lecturer of the course (mentoring) on all issues related to the course throughout the semester.
- 3) Provision of notes/support material (in English or French or Spanish, as appropriate) related to the understanding of the course content.
- 4) Carrying out an educational activity (assignment or project) in the foreign language of choice (English or French or Spanish) to assess the student in the selected course(s).
- 5) Meetings with other students attending the course to encourage the international student to establish positive relationships with the group of Greek students through the engagement with some common educational and social activities.
